

GKV-F/SCT

Filter press cleans the foreign materials included in the oil and produces lucid oil in order to use in edible oil industry, chemical, petrol, food industry, and all kind of liquid filtration processes. According to the industrial needs the frames and plates of the Filter press are produced with pig iron, stainless steel, aluminum, polypropylene, or similar materials.

We produce various models as to the capacity of producing and the plate dimensions.

Model	Plate Dimensions (mm.)	Dimensions (mm.)			Filter Kek Capacity	Valve Numbers
		A	B	C		
<b>GKV-F25</b>	250x250	1900	950	500	0,01	10
<b>GKV-F50</b>	500x500	2200	1000	1000	0,1	20
<b>GKV-F65</b>	650x650	3400	1000	1100	0,3	30
<b>GKV-F80</b>	800x800	4200	1200	1200	0,6	40
<b>GKV-F100</b>	1000x1000	5000	1500	1300	1,5	50
